Section 6-3034 Specific ~~Area Plan~~ [Reserved]

A.Purpose. ~~A Specific Area Plan (SAP) is a policy plan that amends the General Plan and may also be used as the basis to establish an overlay district through a zoning amendment. The SAP provides criteria and guidelines deemed necessary or desirable to provide specificity for planning in a particular area. An overlay district contains regulations that implement and enforce the SAP.~~

B.Applicability. ~~SAPs may be initiated by the property owner(s) within an area requesting a SAP. The following criteria must be met:~~

- ~~1.Minimum of one hundred (100) contiguous acres to the nearest property line (including all rights-of-way, streets, alleys, parks and other publicly owned land);~~
- ~~2.Identified need for a SAP, such as special or unique local conditions warranting more detailed attention than offered by the General Plan; or problems that conventional planning techniques, or market forces have been unable to address; or perceptions of the area (noise, crime, traffic) that may impact desirability or quality of life of the area; and~~
- ~~3.Signatures of the private property owners supporting the need and initiation of a SAP must be submitted from thirty three percent (33%) of the properties within the proposed plan area. Only one (1) owner's signature per property parcel is permitted.~~

C.Procedure. ~~All planning, production and notification costs to be incurred by the applicant. Requests for staff assisted planning requires a request to Council for prioritization and funding. This section describes the procedures for developing a SAP, including public participation requirements.~~

~~1.Prior to creating a SAP:~~

- ~~a.At least thirty (30) days before initiation of a SAP process, a meeting shall be held in or near the subject area to inform interested persons of the possible initiation of a SAP and the procedures to be followed during preparation and review of the proposed plan;~~
- ~~b.At least fifteen (15) days prior to the meeting, mailed written notice shall be made to all property owners in and within three hundred (300) feet of the proposed area, (excluding streets, alleys and rights of ways), homeowners and neighborhood association chair persons, and applicable boards and commissions;~~
- ~~c.At least fifteen (15) days before the meeting, notice of the meeting shall be published once in a newspaper of general circulation and posted in the area proposed to be included in the SAP; and~~
- ~~d.Prior to initiating the SAP, the area must be defined and signatures of thirty-three percent (33%) of the properties must be collected as defined in Section 6-304B above.~~

~~2.Creating a SAP:~~

- ~~a. Collection of data and inventory of existing conditions such as population, facilities, services, open space, natural and cultural resources, real estate trends, etc.;~~
- ~~b. Identification of opportunities and constraints;~~
- ~~c. Notification of property owners in and within three hundred (300) feet of the area, homeowners and neighborhood association chair persons, businesses, schools, civic and faith groups within the area will be invited to attend an issue identification and visioning meeting;~~
- ~~d. Additional meetings may be held as necessary to develop the document. Attendance and comments from all meetings must be documented as part of the public process;~~
- ~~e. Create document with goals, objectives and implementation strategies following format of General Plan; and~~
- ~~f. Print and distribute plan at a final meeting publicized through mailing and advertising process used in subsection 1 above.~~

~~3. Processing a SAP:~~

- ~~a. The applicant shall submit the application, pre-plan signatures (33% of all properties) and all comments received to the Planning and Zoning Commission or Redevelopment Review Commission as applicable for their review and recommendation;~~
- ~~b. A SAP is a major amendment to the General Plan. Such amendments must have two (2) or more public hearings before the appropriate commission and the City Council;~~
 - ~~i. See Section 6-303C for procedures for major amendments to the General Plan;~~
 - ~~ii. See Section 6-404 for notice for public hearings;~~
 - ~~iii. See Section 6-502A for public hearing process;~~
 - ~~iv. The final hearing must be scheduled with all other major amendments at one hearing held in the month of October, at a date determined by the Council;~~
 - ~~v. The City Council may adopt the plan concurrent with the overlay district (if one is created). Overlay districts with a SAP are processed as zoning amendments (see Section 6-305 for zoning application requirements); and~~

- ~~c. If the owners of twenty percent (20%) or more of the total private properties in the SAP area, combined with the private properties within one hundred fifty (150) feet from the SAP boundary, file a protest, the SAP shall be terminated. - ~~5. Supermajority affirmative vote two-thirds (2/3) of City Council.~~

Specific Area Plans may be amended as part of the General Plan, see Section 6-303 for General Plan amendment process.

Section 6-305 Zoning Map Amendments (including Overlay Districts) and Code Text Amendments.

(This modification clarifies that any overlay zoning is processed as a zoning map amendment.)

- A. Purpose.** The regulations and boundaries of zoning districts set forth in this Code may be amended whenever deemed necessary to best serve the public interest, and the health, comfort, convenience, safety, and general welfare of the city.
- B. Applicability.** Amendments to the text or zoning map of this Code shall not be made except through the adoption of an amending code ordinance by the City Council and following the procedure prescribed in this Code.
- C. Procedure.** An application for zoning map or code text amendment shall be made as a written request submitted to the Development Services Manager. The written request shall specify the nature of the amendment with pertinent details to explain or support the request. Requests for zoning map or code text amendments shall be taken to the Planning and Zoning Commission or Redevelopment Review Commission by the owner or owners of real property situated in the city or by any officer, department, board or commission of the city, or by the City Council, under its own motion. In addition the following are required:
 - ~~1. Applications for the following zoning districts shall require simultaneous processing of a PAD: R1-PAD, PCC-1, PCC-2, RGC, MU-1, MU-2, MU-3, and MU-4 all zoning districts shall require simultaneous processing of a development plan or a PAD overlay, per Section 6-306.~~

Section 6-306 Planned Area Development Overlay Districts.

A. Purpose. ~~The purpose of Planned Area Development Overlay Districts is to accommodate, encourage and promote innovatively designed developments involving residential and/or non-residential land uses, which form an attractive and harmonious unit of the community. Such a planned development may be designed as a large-scale separate entity, able to function as an individual community, neighborhood, or mixed-use development; as a small-scale project which requires flexibility because of unique circumstances or design characteristics; or as a transitional area between dissimilar land uses.~~

~~This zoning designation recognizes that adherence to a traditional pattern of development standards, (i.e. height, setback, lot coverage) space, bulk and use specifications contained elsewhere in this Code would preclude the application of the PAD concept. Therefore, where PAD zoning is deemed appropriate or necessary, traditional zoning regulations are replaced by performance considerations to fulfill the objectives of the General Plan. The PAD overlay district may be tailored to meet the specific development representations of an application. Hence one PAD overlay may vary considerably from another overlay.~~

~~A.Planned Area Developments (PADs) allow an applicant to establish development rights, i.e., uses, variances, etc., and develop a project in phases. PADs are not subdivisions and are not intended for the dedication of right-of-way.~~

B. Applicability.

~~1.Applications for the following zoning districts shall require simultaneous processing of a PAD: R1-PAD, PCC-1, PCC-2, RCC, MU-1, MU-2, MU-3, and MU-4; and PAD Overlays may be applied to any zoning district in the City of Tempe and shall be processed as a zoning map amendment.~~

~~1. Projects in all other zoning districts may request a PAD.~~

C. Procedure.

1. PADs Overlay Districts shall be processed to the Planning and Zoning Commission ~~(PZ)~~ or Redevelopment Review Commission ~~(RRC)~~, as applicable, using the public hearing procedure. PADs Overlay Districts shall also be processed to the City Council, using the public hearing procedure, after review and recommendation by the Planning & Zoning Commission, or, when part of a zoning map amendment or appeal of ~~PZ or RRC Redevelopment Review Commission~~ action;

(This change reflects the proposal to maintain the PZ as a recommending body not as a decision-making body.)

2. Modifications. Once a PAD Overlay District request has been approved ~~and recorded~~, it can be modified or amended per Section 6-313. Questions as to procedure for modifications to existing PADs shall be determined by the Zoning Administrator; and

~~3. Recordation. Recordation shall occur per Section 6-306E.; and~~

4.3. Design Review Board (DRB). DRB approval is required prior to issuance of building permits.

D. Approval Criteria. Approval of a PAD Overlay District requires conformance with the standards in subsections 1-4, below.

1. The allowable land uses in Part 3;
2. The *development* standards as established as part of the PAD Overlay District process, as well as, the standards allowed by use permit in Part 4;
3. Any applicable overlay ~~zone-district~~ provisions in Part 5; and
4. The decision-making body may impose reasonable conditions to ensure conformance with these provisions.

~~**E. Recordation.** After approval by the decision-making body, the applicant shall complete all required revisions to the PAD and return it to the Development Services Department (DSD). The DSD shall place the PAD on record in the office of the county recorder of Maricopa County. Recordation shall occur within one (1) year of the approval by the decision-making body. Failure to be recorded within one (1) year of approval, when due to the applicant's request, action or inaction, shall render such PAD null and void. The PAD shall not be void if, in the opinion of the council, the applicant is making a good faith effort toward recordation or the applicant has applied for an extension under Section 6-901.~~

- F.E. Property Owners Associations.** If a property owners association(s) is required, the covenants and restrictions shall include all applicable requirements under the Tempe City Code, and shall be reviewed by the City Attorney and Development Services Manager to determine if the association will remain responsible for maintaining common areas within the *development*. Such covenants and restrictions shall be recorded.

Section 6-307 Development Plan Review.

- A. Purpose.** Development plan review is intended to encourage, protect and enhance the functional and attractive appearance of the City of Tempe. The city recognizes that the creation of a desirable environment throughout the city for residents, businesses, and industry is a prime requisite for the preservation of property values; for the *development* of functional and compatible uses and *buildings*; and for the preservation of public health, safety and general values.

- B. Applicability.** Development plan ~~review applications~~ shall be ~~reviewed~~ as follows:

1. Major Development Plan Review. Applies to all *new development*, and expansions over five thousand (5,000) square feet ~~gross net~~ floor area, except single-family homes not included in a PAD Overlay and two (2) and three (3) *family dwellings*.
2. Minor Development Plan Review. Applies to any modifications, or expansions up to five thousand (5,000) square feet of ~~gross net~~ floor area or twenty percent (20%) of the existing *building* area, which ever is less; and two (2) and three (3) *family dwellings*.

(This change is proposed to clarify when a minor development plan review is required.)

- C. Procedure.** Major *development plan* reviews are processed as public meetings through the Design Review Board (DRB) or Redevelopment Review Commission (RRC) when located in the RRC boundary area. Minor *development plan* reviews are processed as administrative review decisions through the Development Services Manager. Appeals to minor *development plans* shall be processed through the DRB or RRC as applicable.

- D. Approval Criteria.** *Development plan* approval requires conformance with the standards and criteria in subsections 1 and 2, below. ~~The decision-making body shall use the following criteria in evaluating the development plan.~~

Section 6-501 Purpose.

Section 6-502 Rules of Procedure.

Section 6-503 Record.

Section 6-501 Purpose.

This chapter provides procedures for public meetings and public hearings. It is intended to provide an efficient and effective means of public review on land use and *development* decisions made by the city. The provisions set forth in this chapter also are intended to encourage public dialogue and comment that is relevant to the applicable approval. All public meetings and hearings shall be open to the public and held in an accessible location and shall provide special accommodation when requested.

Section 6-502 Rules of Procedure.

Public meetings and hearings shall be conducted in accordance with Section 6-502 and any rules of procedure adopted by the hearing body, so long as these procedures do not conflict.

A. Procedure. The following procedures apply to all public meetings and public hearings, except as provided for zoning map amendment protests under Section 6-502C:

2. Hear the report and recommendation submitted by the Development Services Department;
3. Time Limits. The decision-making body may set reasonable time limits for oral presentations. 4. Hear a presentation by the applicant(s) describing the manner in which the proposal is consistent with city plans, policies, and codes;
5. Hear the relevant comments by the public regarding the application;
6. Hear the response to the public comments and a summary statement by the applicant;

7. The presiding officer may allow further comment, exhibits, and other evidence to be filed as part of the record of the meeting/hearing; and
8. Hold any pertinent discussion necessary for clarification or additional information.

B. Decision. Following discussion related to the application or comments received during the public meeting/hearing, the decision-making body will approve, approve with conditions, continue, or deny the application. In making the decision, consideration shall be given to the facts presented. The findings of fact justifying the decision shall be noted for the record. Decisions made under the provisions of this Code are effective on the date of approval (unless conditioned otherwise), except for those decisions subject to referendum.

C. Zoning Map Amendment (rezoning) Protest. The following procedure shall apply when a zoning map amendment is protested:

1. In the event that the owners of at least twenty percent (20%) of the following properties file a protest in writing against a proposed amendment, with the City Clerk prior to the time of or at the public hearing of the City Council, it shall not become effective except by the favorable vote of three-fourths (3/4) of all members of the City Council:

3. If any members of the council are unable to vote on such a question because of a conflict of interest, then the required number of votes for passage of the question shall be three-fourths (3/4) of the remaining membership of the council, provided that such required number of votes shall in no event be less than a majority of the full membership of the council.

Section 6-604 Failure to Fulfill Previous Conditions.

Section 6-605 Modification or Removal of Conditions.

Section 6-601 Conditions of Approval.

The decision-making body may impose conditions on any approval. Such conditions shall be designed to implement the requirements of this Code, protect the public from potential adverse impacts from the proposed use or *development*, or to fulfill an identified need for public services. In addition to those conditions imposed by the decision-making body, the city may consider as a requirement or condition any plan, exhibit, statement, or other material provided by the applicant and on record with the decision.

Section 6-602 Contract for Conditions.

When the approval requires a contract, conditions shall be set forth in a contract executed by the city and the applicant and approved as to form by legal counsel for the city. If a contract is required, no approval shall be effective until the conditions are recorded. As a condition of approval, the city may require that the contract or a memorandum thereof be filed in the County Deed Records and shall appear in the chain of the title of the subject property, if recording is required. In addition to any personal remedy, the condition shall constitute a burden running with the land in favor of the City of Tempe and, unless otherwise provided, shall be removed only with the written authorization of the Tempe City Council. The contract shall be enforceable by and against the parties, their heirs, successors and assigns. The contract, however, shall not restrict the authority of the City of Tempe from taking actions affecting the property.

Section 6-603 Time Limits on Conditions.

Conditions shall be fulfilled within the time limitations set forth or a reasonable time if no time limitations are specified. Failure to fulfill a condition within said time may result in initiation of revocation of the approval, citation or such other enforcement action as the city deems appropriate.

Section 6-604 Failure to Fulfill Previous Conditions.

The decision-making body may withhold a requested approval if it determines that the current applicant has not fulfilled a previous condition or requirement from a previous approval, granted to the applicant, on the subject property, and withholding the permit would encourage compliance or is necessary to protect the public from future noncompliance.

Section 6-605 Modification or Removal of Conditions.

Modification or removal of conditions of approval may be sought on appeal or as a new application, in accordance with Section 6-313. Such proposals shall be processed through the same procedure as was used to impose the conditions.

CHAPTER 7 – RE-APPLICATION AND RECONSIDERATION OF DECISIONS

Section 6-701 Re-Application.

Section 6-702 Reconsideration as Extraordinary Remedy.

Section 6-703 Motion for Reconsideration.

Section 6-704 Motion for Reconsideration and Appeal Period.

Section 6-705 Process for Reconsideration.

Section 6-706 Reconsideration and Appeals.

Section 6-707 Reconsideration Limit.

Section 6-701 Re-Application.

In the event that an application is denied, an application ~~on the same subject matter~~ that is substantially the same project or request will not be considered for a period of one (1) year from the date the initial application was denied, except as follows:-

Section 6-702 Reconsideration as Extraordinary Remedy.

Reconsideration of a decision is available only as an extraordinary remedy upon a determination by the decision-making body that the criteria in subsections A and B are met:

- A. Mistake.** The party requesting reconsideration has sufficiently alleged in writing that a mistake of law or fact occurred; and the alleged mistake, if found to have occurred, was a substantial factor in the decision; and
- B. Hardship or Delay.** Reconsideration is appropriate to avoid delay or hardship that may be caused by an appeal.

Section 6-703 Motion for Reconsideration.

A motion for reconsideration must be filed with the Development Services Manager within fourteen (14) calendar days of the original decision. The motion shall address the factors set forth in Section 6-702 above. The applicable fee shall be submitted with the request. A motion for reconsideration may be filed by the applicant, the Development Services Manager, or a party of record.

Section 6-704 Motion for Reconsideration and Appeal Period.

Filing a motion for reconsideration is not a precondition to appealing the decision and does not stay the deadline for filing an appeal. To preserve the right to appeal, a party must file a petition for review as provided in Part 6, Chapter 8. If the decision-making body grants reconsideration, and ultimately rules in favor of the party filing for reconsideration, the party may terminate its appeal.

Section 6-705 Process for Reconsideration.

The decision-making body shall schedule and notify the parties of a new public hearing or meeting on the merits of the issues raised. Such hearing or meeting shall be held at the next reasonably available opportunity. The decision-making body shall limit their discussion to the issues raised in the motion for reconsideration and the merits of those issues. New evidence or testimony provided by the applicant or staff, shall be limited to grounds upon which the motion or petition for reconsideration was granted.

Section 6-706 Reconsideration and Appeals.

If the motion for reconsideration is denied or the decision is not altered upon reconsideration, any appeal of the original decision, timely filed, shall be processed in accordance with Part 6, Chapter 8, Appeals. If the motion is granted and the decision-making body modifies the previous decision, the parties to the initial decision shall be notified within ten (10) days of the decision and may appeal the decision as modified pursuant to Part 6, Chapter 8, Appeals.

Section 6-707 Reconsideration Limit.

- A. **Public Hearing.** Such appeals shall be heard using the same procedures as the original public meeting/public hearing procedures in Part 6, Chapter 5.
- B. **Appeal Stays Proceedings.** An appeal shall stay all proceedings in the matter appealed from, unless the Zoning Administrator certifies to the decision-making body that, by reason of the fact stated in the certificate, the stay would, in his opinion, cause imminent peril to life or property. In such case, proceedings shall not be stayed, except by a restraining order granted a court of record on application and notice to the Zoning Administrator.
- C. In the event that a decision made under this Code is appealed, the appeal does not invalidate the approval. The holder of the approval may proceed with a use or development at their own risk.
- D. **Conditions When Granting Appeal.** Any appeal granted may be subject to such conditions as the decision-making body deems applicable.

Section 6-803 Appeal Criteria.

- A. **Appeal Criteria.** To effect an appeal, the petitioner must file an appeal petition with ~~either~~ the Development Services Department, ~~or~~ City Clerk or Superior Court not later than 5:00 p.m. on the appeal due date, as provided on the notice of decision.

Section 6-901 **Time Extension.**

Section 6-902 **Revocation of a Permit/Approval.**

Section 6-903 **Transfer of Permits/Approvals.**

Section 6-901 **Time Extension.**

A. Timing of Extension. If an extension is desired, the holder of the approval or permit must file an application for an extension no later than forty-five (45) days prior to expiration of the approval or permit.

B. Procedure and Approval Criteria. Extension requests shall be processed by the Development Services Manager as an administrative review decision. The Development Services Manager may refer the request to the original decision-making body that issued the original approval if different than the Development Services Manager. An extension may be granted for a maximum of one (1) year from the original date of expiration, and may be less than one (1) year if the Manager or the original decision-making body deems that a shorter timeframe is warranted. Extensions shall be granted only upon findings that:

(This is a clarification of procedure)

1. The use or *development* could not reasonably commence for reasons beyond the control of the permit holder;
2. The request for extension is not sought for purposes of avoiding the requirements or standards of this Code or the permit;
3. There has been no change in city standards or other circumstances likely to necessitate significant modification of the *development* approval or conditions of approval; and
4. The use of property, if any, conforms to applicable city codes. The city may deny an extension request if there is an existing Code violation, or impose conditions to facilitate compliance.

Section 6-902 **Revocation of a Permit/Approval.**

The city may revoke an approval or permit granted under this Code. In revoking an approval or permit, the following procedures apply:

- A. Procedure and Criteria.** Following reasonable notice to the permit/approval holder an administrative hearing shall be held to consider all relevant information, conditions, and concerns related to the permit. The permit/approval holder will be given a reasonable opportunity to resolve all related issues. If the permit/approval holder cannot comply with conditions of the permit/approval or otherwise remains in violation of this Code after thirty (30) days, or sooner when the violations constitute an immediate public health, safety and general welfare concern, the Zoning Administrator shall schedule the item on the next regularly scheduled agenda of the original decision-making body, as may be appropriate, at which time revocation of the permit/approval may be considered. A permit/approval may be revoked if it is determined that:
1. Development which has occurred does not comply with the standards set forth in this Code or any special conditions imposed upon the permit/approval;
 2. The permit/approval was approved based on materially incorrect or incomplete information; or
 3. A change has occurred to city regulations, the General Plan or applicable law, prior to the *development* obtaining a vested right or status as a legal nonconforming use, that makes the approved *development* unlawful or not permitted.
- B. Revoke Permit/Approval.** The decision-making body, upon finding that the applicant has not taken corrective actions to resolve issues related to the permit/approval and that a continuation of the permit/approval is not in the interest of the public health, safety and general welfare, can revoke the permit/approval after providing written notice of its intentions to the holder of the permit.
- C. Option to Reapply for Permit/Approval.** The holder of the revoked permit/approval may reapply for a new permit/approval at any time as an entirely new application.

Section 6-903 Transfer of Permits/Approvals.

- A.** *Use permits* are transferable to successors in interest.
